The single digital gateway, incorporating OOP in legislation

- Establish a technical system for the automated exchange of evidence between competent authorities in different MS

December
2023

SDG annex II

for Businesses	for Citizens
Notify business activity and subsequent changes and termination	Register change of address
Request permission for business activity	Request proof of residence
Register as employer for pension and social security	Request birth certificate
Register employees for pension and social security	Request for determination of social security legislation
Notify end-of-contract of employees for social security	Notify change in personal circumstances for social security purposes
Pay social contributions for employees	Applying for European Health Insurance Card (EHIC)
Declare corporate tax	Claim a pension
	Request information on acquired pension rights
	Declare income tax
	Register motor vehicles
	Obtain motor vehicle toll or emission stickers
	Enroll in a university
	Apply for study financing
	Request recognition of academic diplomas

Directives on public procurement, professional qualifications and services

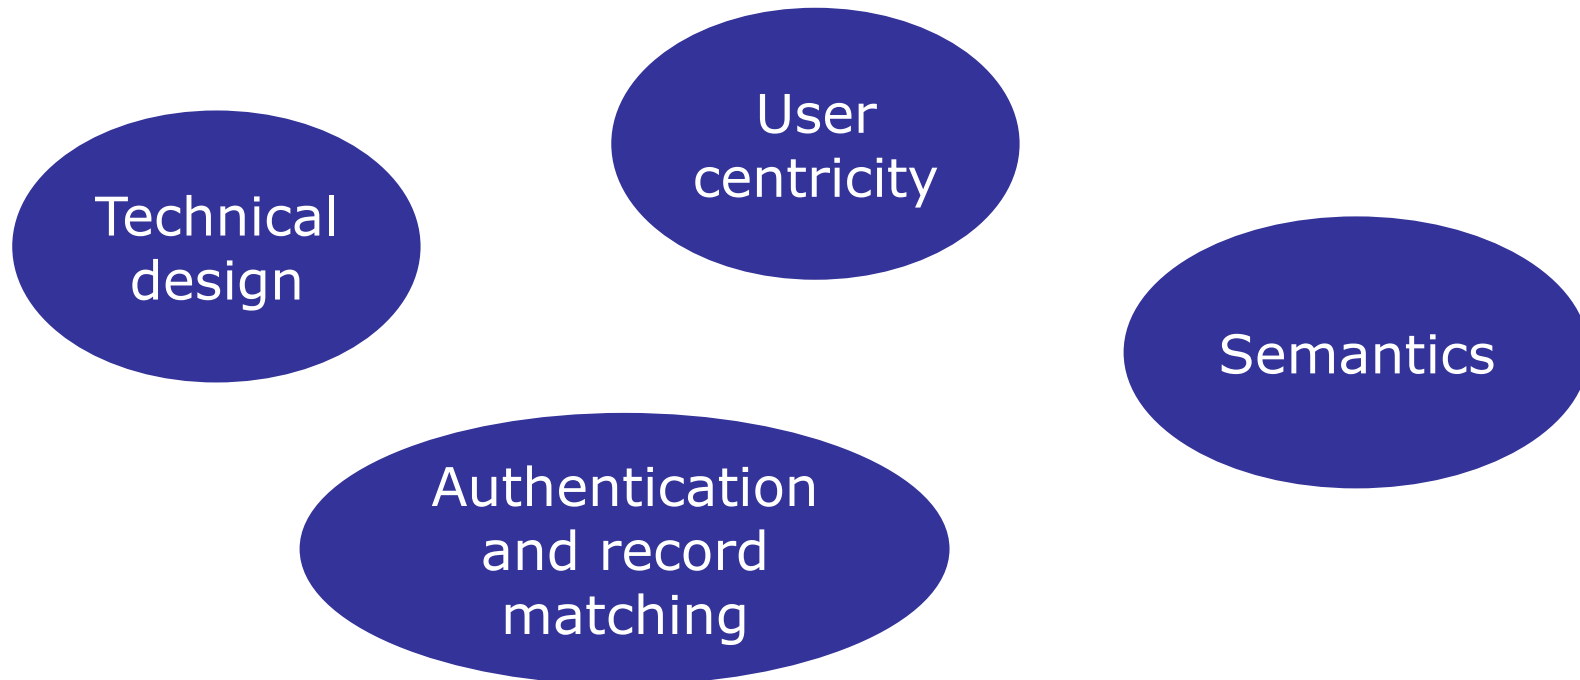

- Exception: procedures established at EU level providing for different mechanisms for the exchange of evidence

The single digital gateway, incorporating OOP in legislation

- Automated and in real-time
- Applies to evidence available in an electronic format that allows automated exchange
- Data protection:
 - explicit request
 - preview

Preparatory work

- 2019: High level architecture for the once-only system
- 2020: Work packages – working with MS on technical and operational specifications

Next steps

- 2020: Deliverables from the work packages
- June 2021: Implementing act
- 2023: Once-only system in place for all procedures in the SDG scope

TOOP and the SDGR

Thank you!
